CALL FOR PAPERS

Third Conference of the Academic Initiative on Farms as Sites of Learning, 2017

Farm Education – New Stimuli for Research and Practice

14. – 16. November 2017, Rauischholzhausen

- Deadline extended -

Invitation

We would like to invite you to our Conference “Farm Education – New Stimuli for Research and Practice” which will be held at the Landesbetrieb Landwirtschaft Hessen (LLH) in Rauischholzhausen (Germany) from November 14 – 16, 2017. The Conference is initiated by the Bundesarbeitsgemeinschaft Lernort Bauernhof (BAGLoB) [German Federation for the Farm as a place of Learning], the LLH Rauischholzhausen and the University of Vechta.

Call for Papers

The conference proceedings will be published online. Within this call, we like to draw your attention to the opportunity on publishing your conference paper. Every abstract will be published and selected authors will be invited to submit a full paper after the conference.

The deadline for the abstract submission is June 30, 2017. Please send an abstract which includes 3.000 signs.

Objectives of the conference

The conference will provide a forum for exchanging knowledge and experiences on farm education between actors from science, practice and advisory service on an international level. The aim is to promote the understanding and development of farm education as a practice and as a scientific approach through a shared dialogue.

A wide range of issues of farm education will be discussed in order to provide insight into different perspectives and fields of research as well as an overview of various learning forms. Also the local, regional, national and international networks on farm education and their funding structures are topics of interest.

We particularly welcome papers on the following topics:

- Inclusion and heterogeneous groups
- offers for special groups like seniors
- empirical findings on conditions, driving factors, arrangements and effects of farm education
- quality criteria of farm education

We like to encourage all people in science, practice and advisory service who are active in these fields of farm education, to present their work on the conference. It is possible to give either an oral or a poster presentation. Ideas for workshops are welcome, too (please contact us!).

Submission of papers

Papers should be submitted in English or German language by e-mail to wissenschaft@baglob.de

The paper should include the following information:

- title of paper
- author (surname, first name, affiliation, postal address, email address)
- co-authors (surname, first name, affiliation)
- maximum of 3.000 signs

Deadlines!

| | |
|-------------------------|---|
| Until 30 June, 2017 | submission of papers |
| until 15 July, 2017 | notification of selected papers |
| From 15 September, 2017 | release of conference program and start of registration |
